Toutainville – Pont-Audemer

In the heart of Normandy

The Nautical Club of Toutainville is located in the beautiful area of the lakes of Toutainville - Pont-Audemer, in the heart of Normandy, near the coast of the Channel, 150 km west from Paris, between Rouen and Le Havre. Toutainville is a village of 1000 inhabitants.

The “Little Norman Venice”

Pont-Audemer is a small atypical city of more than 10,000 inhabitants, known as the "Little Norman Venice". This is a town that has retained this very special charm, a mix of streams, little streets, middle-class houses and Norman buildings that you discover by following the town center's historic trail and discover its old and modern heritage: the unfinished Saint-Ouen church, the cobblestoned lace of the Place du Pot d'Etain.

IWWF EA WAKEBOARD CHAMPIONSHIPS

WAKE BOARD

2021

SEPT 13-18

Riders, through Federations, are encouraged to book their official familiarization slots according to the event bulletin as soon as possible, in order to assure the schedule that fits them most. Time slots will be given on a first paid, first served basis, meaning that when a Federation reserves a slot, it will still be free until it is paid. Only paid slots are then considered booked and reserved.

Only one time slot will be available per rider, at a time that is suitable to them. Time slots are of 10 minutes, which mean 2 full passes on the course or 3 falls, whichever occurs first.

Official Familiarization will open for booking 15 days following the deadline for the intention to enter forms. The Federation books the time slots necessary for their team and individual riders. Once reserved, there won't be any chance of changing the designated time slots given to the Federation.

Riders must be ready on the dock the exact same way as for the competition. Failure to be ready on the dock when the time slot starts will mean losing the chance of familiarizing with the course and boat. There will be a Jetty Marshall handling the training, making sure the schedule is respected.

No refund of payments or reallocation of schedule will be permitted due to lack of readiness from any rider.

Price for official familiarization is 30 euros per 1 slot. 1 slot only per rider
