6 Official Site Familiarization

The last two or three days immediately before the Championships will be reserved and used for Official Familiarization. This will be organized so that each skier who has paid shall be allocated either a set number of passes and/or a certain amount of time at the discretion of the Chief Judge based on the principle that every skier shall receive an equal opportunity for familiarization. Slalom skiers will receive 4 passes or 6 minutes whichever is less Trick skiers will receive 2 passes or 5 minutes whichever is less

Jump skiers will receive 3 passes or 6 minutes whichever is less

If a Federation does not want to take part in the official familiarization, it must notify the organizers and the Chief Judge as soon as possible. The order for familiarization will be that the hosting country will go first. The other countries will be scheduled on a random basis, and shall be grouped by event and country, i.e., slalom familiarization, trick familiarization and jump familiarization (by jump height) will be grouped together. Any athlete whose time has not been paid for at least 5 days before the scheduled start of the event, or who is not ready to ski in accordance with the schedule, will lose their official familiarization time
