

Declaration of consent

We in the board of OSI Friluft want to raise awareness amongst our members and inform you about privacy and data protection for publication of photos from our trips and events.

We collect declaration of consent in the following matters:

- To take photos
- Publication of photos in our channels:
 - Our webpage: <https://friluft.osi.no/p/47525/nyheter>
 - Our Instagram page: OSI Friluft
 - Our facebook page: OSI Friluft
 - Our member group on Facebook
- We do not tag people by their names

The law states that you have to give consent to be taken photos of, and you also have the right to withdraw your consent. If that is the case, you have to send us which photos you are in, or which photos you want to have deleted. It takes a lot of extra paperwork to go through this process of withdrawing so please consider carefully in advance if this is something you want to consent to. Let us know in the email address stated below if you wish to withdraw your consent.

If you have any questions regarding consent or privacy, please be in touch with:
