The image displays three sequential screenshots of a mobile application interface for activity registration. Each screenshot shows a status bar at the top with 'NetCom', signal strength, time (09:22 or 09:23), and battery level.

Screenshot 1: Angi Varighet (Set Duration)
The screen has a blue header with a back arrow and the title 'Angi Varighet'. Below the header is a numeric keypad with digits 0-9. The number '1' is selected in the tens column, and '0' is selected in the units column. Below the keypad, the text '1 timer og 0 min' is displayed. At the bottom is a blue button labeled 'Neste'.

Screenshot 2: Dato (Date)
The screen has a blue header with a back arrow and the title 'Dato'. Below the header is a date picker showing months and years. The month 'januari' and the year '2015' are selected. At the bottom is a blue button labeled 'Neste'.

Screenshot 3: Bekreft (Confirm)
The screen has a blue header with a back arrow and the title 'Bekreft'. Below the header, the following information is displayed:
Aktivitet: Styrketrening
Tidsbruk: 1 timer og 0 min
Dato: 2015-01-13
At the bottom is a blue button labeled 'Registrer Aktivitet'.
